**What are your professional goals for the next five years? Do you have a five-year plan or are you in the process of crafting your vision?**

**What are three heartfelt goals that are central to your work and who you are as an artist-teacher or a nonprofit organization?**

**What do you see as the most obvious barrier to your success?**

**What would you consider your best successes? In what do you excel? What has been your "finest hour"?**

**What do you find missing in your current strategy to achieve your goals? (for instance, additional education, networking, funding, professional contacts, visibility, and so on)**

**What is your most urgent and pressing professional need at this time?**

## **How do you see artsMENTOR helping you?**
